The Green Triangle
MEMBERSHIP

The Green Triangle
MEMBERSHIP

Who will Green Triangle membership suit?

Any size or sector company can become a member of The Green Triangle. Membership criteria has been set out which clearly defines the requirements of becoming a member. In short, if you are a green sector company you automatically qualify, and those outside of the green industries will need to be able to demonstrate sustainability or the desire to become more sustainable or environmentally friendly.

What are the benefits of becoming a Green Triangle member?

Members have full access to all Green Triangle products, services, rates, offers and discounts. For example;

- Free entry to specified RoCRE Business Skills Seminars through Rothamsted Research
- Participation in BRE's SME surgery sessions
- 20% discount on BRE events
- Free regular newsletter with all the latest information about The Green Triangle and an opportunity for your business to communicate out to our other members
- Links directly into our world-leading partner organisations
- Member rates to Green Triangle events
- Support for businesses looking to become more sustainable
- Discounts on a wide range of courses and training
- Generic business support programme

(Please note a fully comprehensive list of member benefits and products and services is available through the Green Triangle website)

How much does Green Triangle membership cost?

You can join The Green Triangle for a one-off registration fee of £25. There are no membership fees and no subscriptions.

How do you become a Green Triangle member?

To become a Green Triangle member, simply complete the application form and return it to us. We will then issue you with a unique membership number which will allow you access to the member benefits.

Application forms and further information is available through our website www.thegreentriangle.org.uk or from our Business Development Manager, Tara Clark – tara.clark@oaklands.ac.uk or 07743809515.
